#### Exports from Special Economic Zones

New Delhi: Exports from Special Economic Zones during April-September 2011 grew by 26.2 per cent to Rs 1,76,479.69 crore, the Export Promotion Council for EOUs and SEZs (EPCES) said in a statement on Tuesday.

SEZ exports during 2010-11 had grown 43 per cent over the previous year to Rs 3,15,867.85 crore, Mr Jatin R Mehta, Chairman, EPCES, said. As on September 30, SEZs provided employment to 7,32,839 people and attracted investments worth Rs 2,77,259 crore .

#### FII investment limit in government securities, bonds hiked

New Delhi: The Ministry of Finance has decided to increase investment limit of foreign institutional investors (FIIs) in Government securities and corporate bonds by US\$ 5 billion. FIIs can now invest up to US\$ 15 billion in government securities, and for the corporate bonds the cap has been increased to US\$ 20 billion.

#### Bombay Stock Exchange launches carbon index

Mumbai: The Bombay Stock Exchange (BSE) in association with the Carbon Disclosure Project, has launched a BSE Carbon Index. The aim is to offer investors expertise in analysing the risks and opportunities associated with climate change, and with carbon regulation.

#### 75 SEZs in AP attract Rs 15,000-cr investment

Hyderabad: Andhra Pradesh which has 75 notified special economic zones (SEZs), which is the highest number of SEZs in any State in the country, has attracted investment of about Rs 15,000 crore.

These SEZs registered exports of Rs 13,000 crore during the financial year 2010-11 and exports are expected to double during the current financial year, according to statement.

Apart from attracting investment and helping create new infrastructure, these SEZs provided direct employment opportunities to nearly 1.20 lakh people and many more have gained indirect employment. [More.....](#)

### SPOTLIGHT : TOURISM AND HOSPITALITY

Tourism is a significant sector of the Indian economy and contributes significantly to the country's gross domestic product (GDP) and foreign exchange earnings (FEE). The Indian tourism sector is also linked with important sectors such as transportation, infrastructure, and handicraft, which further helps in the growth and development of the country. The Ministry of Tourism has made various efforts to expand the tourism infrastructure at various destinations in India. These efforts are a judicious blend of traditions, legacy, religion and eco-tourism projects that intend to offer the tourists a holistic experience. [More.....](#)

## BILATERAL BEAT

### 2nd meeting of the Joint Committee on Science & Technology (JC S&T) between India & Malaysia

The 2nd meeting of the Joint Committee on Science & Technology (JC S&T) between India & Malaysia was held in Kuala Lumpur on 02nd July 2011.

The Indian delegation was led by Dr. Thirumalachari Ramasami, Secretary, Department of Science & Technology (DST), Government of India and the Malaysian delegation was led by H.E. Dato' Madinah Mohamad, Secretary General, Ministry of Science Technology and Innovation (MOSTI) of Malaysia.

The areas discussed during the meeting were – Grassroot Innovation, Biotechnology and Alternative/ Renewable Energy. Apart from these areas, there was discussion on future cooperation for activities like workshops, exchange visits, projects etc. in the fields of Nuclear S & T, Marine Sciences and Space Technology.

In conjunction with the meeting of the Joint Committee, a Memorandum of Understanding (MoU) was signed between Malaysian Innovation Foundation (YIM) and National Innovation Foundation of India (NIF). At the end, an agreed minutes of the Meeting was also signed.

# TOURISM AND HOSPITALITY IN INDIA

India currently holds the 12th position in Asia and 68th position in the list of overall in the list of the world's most attractive tourist destinations, as per the Travel and Tourism Competitiveness Report 2011 by the World Economic Forum (WEF).

The increasing numbers of both domestic as well as international tourists have been very encouraging for the Indian travel and hospitality sector which has nearly doubled during the last three years. The tourism and hospitality industry experienced a healthy growth trend of 24.6 per cent during 2009-2010 as compared to 2008-2009. The total number of foreign tourists in the country in 2010 was 5.58 million as compared to 5.17 million in 2009, registering a rise of 8.1 per cent, according to the Market Research Division of the Ministry of Tourism.

## Growth Trends

Tourism and hospitality being the largest service sector in the country, contributes around 6.23 per cent to the national GDP and 8.78 per cent of the total employment in the country. The country welcomes around 6 million international visitors every year and nearly 562 million domestic tourists.

The Union Ministry of Tourism compiles a monthly estimate on the foreign tourist arrivals (FTAs) and foreign exchange earnings (FEE) based on the total number of foreign visitors in the country. The important trends in the sector for June 2011 based on the report by the Ministry of Tourism are as follows:

- The total number of tourists visiting the country during June 2011 were 0.39 million as compared to 0.37 million during June 2010 and 0.352 million in June 2009.
- A growth of 7.2 per cent has been registered during June 2011 as compared to 4.9 per cent growth in June 2010. Also, the 7.2 per cent growth rate in June 2011 was higher than the observed growth rate of 7.0 per cent in May 2011.
- FTAs during the period January-June 2011 were 2.91 million with a growth of 10.9 per cent as compared to the FTAs of 2.63 million with a growth of 8.9 per cent during January-June 2010 over the corresponding period of 2009.
- FEE during the month of June 2011 were US\$ 1,213 million as compared to FEE of US\$ 1,020 million during the month of June 2010 and US\$ 796 million in June 2009.
- The growth rate in FEE in June 2011 over June 2010 was 18.9 per cent as compared to the growth of 28.1 per cent in June 2010 over June 2009. FEE from tourism during January-June 2011 were US\$ 7,811 million with a growth of 14.2 per cent, as compared to US\$ 6,842 million, with a growth of 36.6 per cent during January-June 2010, over the corresponding period of 2009.

## Government Initiatives

The Government has allowed 100 per cent foreign investment under the automatic route in the hotel and tourism related industry, according to the Consolidated FDI Policy, released by DIPP, Ministry of Commerce and Industry, Government of India. The terms hotel includes restaurants, beach resorts and other tourism complexes providing accommodation and /or catering and food facilities to tourists.

The term tourism related industry includes:

- Travel agencies, tour operating agencies and tourist transport operating agencies
- Units providing facilities for cultural, adventure and wildlife experience to tourists
- Surface, air and water transport facilities for tourists
- Convention/seminar units and organisations.

The Government of India has announced a scheme of granting Tourist Visa on Arrival (T-VoA) for the citizens of Finland, Japan, Luxembourg, New Zealand and Singapore. The scheme is valid for citizens of the above mentioned countries planning to visit India on single entry strictly for the purpose of tourism and for a short period of upto a maximum of 30 days.

The government has taken up a number of initiatives to enhance the tourism and hospitality sector performance and profits. Identification and development of 37 destinations within the last two years, and execution of 600 projects for 300 tourist spots across the country with an investment of over US\$24 million are some projects taken by the Government to boost the travel industry and create awareness for the sector.

These efforts have been coupled with monetary assistance from the Central government to the tune of US\$ 5 million and US\$ 10 million, as per the Tourism report by the Gujarat Government.

The Ministry of Tourism under the Marketing Development Assistance (MDA) Scheme has also set up committees to assist and motivate travel tour operators and help them to familiarise with international standards of hospitality. Also, the Government provides financial assistance to travel agents to participate in travel fairs and annual conventions for travel and tourism, as per the Annual report by the Ministry of Tourism.

The Uttarakhand State Government has launched 100 per cent tax exemption program to exempt multiplex projects, amusement parks, and other tourist facilities for a period of five years under the Vision 2020 document. On the same lines, Rajasthan has reduced the luxury tax level to 8 per cent from the existing 10 per cent levels. Kerala, Madhya Pradesh, Orissa and Gujarat have entered into Private Public Partnerships (PPP) to promote travel and tourism to attract tourists.

### Road Ahead

The tourism and hospitality sector report by the Ministry of Tourism suggests that the demands are expected to increase up to US\$ 34.7 billion by the end of 2020. In order to promote this target, the Ministry has already sanctioned the development of 169 rural sites across the country. These sites have been selected based upon their competencies for craft and handloom skills.

Statistics suggest a triple fold increase in the number of tourists visiting the country. The sector has witnessed a steady growth from four million travelers in 1998 to 11 million in 2008. As expected, the figure is intended to reach a mark of 29 million visitors by 2018. There is an opportunity in the inbound MICE sector (meetings, incentives, conventions and events) which has already registered a growth of 15 per cent to 20 per cent during the last five years as stated in the report by the Ministry of Tourism.

According to the Eleventh Five Year Plan, a total of US\$472 billion is planned to be invested in upgrading and modernising civil amenities like bridges, ropeways, roads, telecom services, ports, and other forms of transport as per a report by the Planning Commission.

### Hospitality

The Indian Hospitality industry, estimated at US\$ 17 billion, contributes 2.2 per cent of India's GDP. The sector is expected to grow to US\$ 36 billion by the end of 2018. Seventy per cent of the total contribution (US\$ 11.85 billion) comes from the unorganized sector

and the remaining 30% (estimated at US\$ 5.08 billion) comes from the organized sector of the hospitality industry.

The industry also witnessed an increase in the number of hotel rooms with a growth of 5 per cent during the last three to four years.

In the next two years, a total investment of US\$ 12.17 billion is expected that will add over 20 new international brands in the hospitality sector. Rise of budget hotels in the country, such as Ginger Hotels, Lemon Tree, Sarovar Hotels, Fortune Hotels, Ibis and Choice Hotels clearly suggest a huge growth potential in the sector. Among the recent initiatives within the industry, some are listed below.

[Cont.....](#)

- US-based casual dining restaurant chain California Pizza Kitchen (CPK), is bullish about Indian market and under its expansion plans, the company has recently announced the launch of its new outlet here, which is counted as its third restaurant in India.
- Whitbread, UK-based hospitality company, has announced to invest US\$ 53.3 million in the country by year 2020. With this investment amount, the company is planning to launch over 80 properties in the country over next ten years.
- Restaurant chain Lite Bite Foods, is looking to spread its wings globally through franchise route. With its expansion plans, the company is aiming to increase its outlets count to 200 from the present 50 outlets across the country over the next three years.
- Starwood Hotels & Resorts Worldwide has announced its expansion plans for India. The company is looking to operate 50 hotels in India by the end of 2012. Under its strategic plans, the company is targeting the Indian market to enhance its business and in the same move the company has launched the Starwood India Customer

### India for travel and treatment

With an abundance of breathtaking scenery, magnificent religious monuments, remarkable diversity and the warm hearts of its people, incredible India offers a truly enchanting experience.

Along with its traveler appeal, India has become a major destination for low-cost medical care at top international standards.

From the romantic sands and crystal beaches of Goa, to the awe-inspiring resplendence of the Taj Mahal, to tantalizing regional cuisine. India truly delivers on all fronts for the budding medical or health tourist. Perched at the heart South Asia, next to the pristine Maldives, and a short skip from oriental South East Asia

### Medical Tourism

India has emerged as the major destination for medical tourists from across the globe. Lower costs combined with effective healthcare therapies have attracted a number of foreign patients. The Indian medical tourism sector valued at US\$ 310 million, currently, receives more than 100,000 foreign patients each year and is expected to reach US\$ 2 billion by 2012. With an annual growth of the sector projected at 30 per cent, the number of medical tourists is anticipated to grow at a CAGR of over 19 per cent during the forecast period to reach 1.3 million by 2013.

To offer superior healthcare services, the government has adopted the Public Private Partnership (PPP) Model to enhance the infrastructure requirements of the sector with the expertise of private sector and better support of public sector.

Kerala, termed as 'God's Own Country' promises world class hospitals coupled with cost-effective treatments and opportunities for tourists to relax and enjoy. The state has been witnessing a steady growth in the number of foreign nationals visiting the country for procedures like knee replacement, weight reduction surgery, liver transplant, cardiac care, ophthalmic care and dentistry.

Additionally, the Ministry of Tourism is aiming at leveraging India's potential in conventional systems of wellness and medicines, such as Ayurveda, Siddha, and Yoga. The prominent American Association of Physicians of Indian Origin (AAPI) has acknowledged Jaipur as the center of medical tourism.
